

OUR CLOUD BASED SOLUTIONS

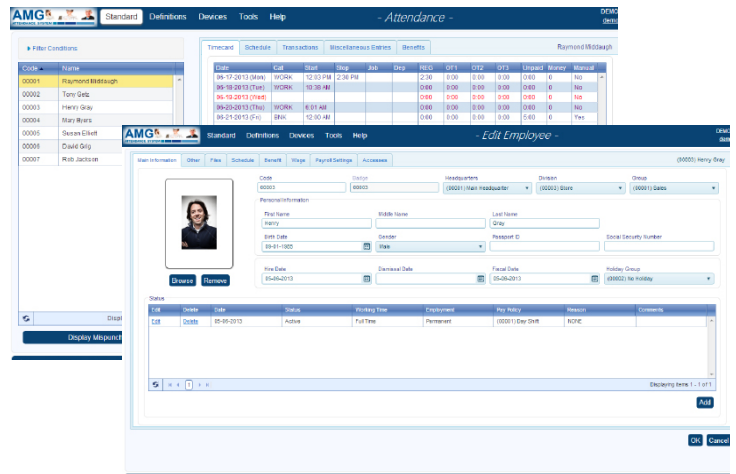

- ✓ Pay as you go
- ✓ Always up-to-date
- ✓ Virtually run on any platform

Having flexibility and accessibility in mind, AMG Employee Management brings cloud based solutions to satisfy all your time and attendance needs. In today's business world, we understand how important it is to have access to your employee management account conveniently from any location. An AMG Cloud Based Solution allows you to setup unlimited headquarters, divisions, groups, departments and pay policies. It is easy to use, manage and modify. Additionally, we allow you to customize your subscription by adding modules that will benefit your business.
