

Virtual Elionic Employee Kiosk

Time and Attendance at Your Fingertips

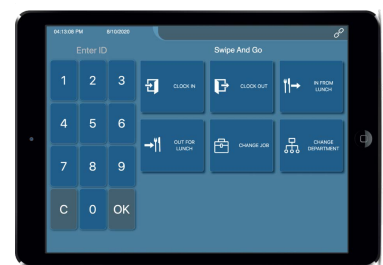

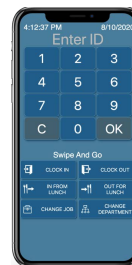

AMGtime is providing a low-cost time and attendance option without the worry of purchasing extra hardware.

Simply use the link on a tablet, smartphone, PC or POS system to begin managing your workplace. This virtual kiosk is easy to use and is equipped with employee self services saving management time and money with this technology.

Employees can use this virtual kiosk to clock in, see their most recent punches, view their benefits, time off requests, schedule, and hours worked.

Benefits

- Inexpensive option for time and attendance
- Easily accessible and usable
- Do not have to purchase hardware
- Saves time and money

*Can also be used on smartphones and tablets.
